Pine Wine: Wine choices for Thanksgiving

\$10-\$19 Wines

Ramón Bilbao 2016 Albariño, Rías Baixas, Spain” (\$15): This food-flexible white wine is very attractive in the glass and has fruit and appealing complexity on nose and palate. Its strong personality and great length are delightful.

\$30-\$49 Wines

The Calling 2015 Pinot Noir “Russian River Valley” (\$37): My favorite among mid-priced Pinots is impressive all-around, particularly its strong, complex nose and forward, rich fruit on the palate. Very well made.
